

Village Plan 2007

Action Points

The following key action points arise:

Short Term (within year)	<ul style="list-style-type: none">• Investigate traffic management possibilities and produce recommended scheme• Look into funding options for traffic calming• Evaluate the provision of a “bendy” bus arrangement
Medium Term (1-5 years)	<ul style="list-style-type: none">• Influence MCC to get preferred traffic measures put in place• Create a workable and permanent solution to the school traffic issues
Long Term (5-20 years)
